 vCard | [Support Staff](#)

### Notable Experience

Megan focuses her legal practice in general litigation matters. She has successfully represented individuals, businesses and public entities in both state and federal litigation, including trial and at the appellate level. She also has significant experience in defending workers' compensation claims before the Ohio Industrial Commission, as well as in various state courts.

### Besides Freund, Freeze & Arnold

Megan mentors Latino youth through the Big Brothers Big Sisters program. She also mentors Capital University Law School students and devotes a significant amount of time helping law students learn skills including interviewing, networking, and career building. Megan enjoys spending her free time with family and traveling.
